## Message from Mr Hartmann

Thank you for all of your support this academic year. We have had a very successful year with so many achievements to celebrate. I would like to take this opportunity to thank the staff team for their hard work and dedication throughout the year and a well done to all of our amazing pupils for the progress they have made. On behalf of the staff team, I would like to wish everyone within the Withernsea Primary School community a lovely summer break and we look forward to welcoming the children back to school in September.

## Weekly Attendance

Last week's whole school attendance was 92.1 %. This is below our target of 96%. While we understand that this time of year brings lots of illnesses, please support us by ensuring your child is in school wherever possible so they are receiving a full education.

Each day consists of two sessions so if your child is unwell in the morning but seem to feel better during the day, they could attend for the afternoon session.

Year 4

Well, what a fantastic year that has been! The year 4 four team of staff would like to congratulate all of the amazing, hard working children for their resilience, responsibility and respect.

Some of the highlights for us has been the two trips into Hull to the Christmas party and the Hull and East Riding Museum. We are really proud to be part of this vibrant school community and the children are always praised for their fantastic manners. This has also been noted by many members of the public at the recent swimming sessions.

We hope, as staff, that we have made a positive and long lasting impression on your children that will help them go forward into the next steps of their learning journey. They have made us laugh so much this year and we look forward to seeing what they get up to in year 5.

Thanks, as ever, for your support. We appreciate it!

Best regards,

## Year 5

This week in Year 5 we rounded off our maths by looking at cubic centimetres and estimating capacity. We also finished reading *Dead Man's Cove* and created some amazing book reviews for it! In English we completed our poems based on our work around the 'Parade of the Beast Doodles'. As the week has drawn to a close we have enjoyed a range of fun activities to celebrate our time in year 5.

We want to say a huge thank you to all of the children, staff and parents for all of their support and hard work this year: it has been a fantastic year.

We hope you all have a wonderful summer holiday and we look forward to seeing everyone back on the 6th September.

Many thanks,

The Year 5 Team

5 - Year 5

In year 6 this week, we have had lots of fun to celebrate the successes of our students this year. On Monday, we watched the movie 'Wonder'. Now we have finished the book, the children really enjoyed immersing themselves in the film. On Tuesday, we had two bouncy castles visit the school. On Wednesday, year 6 had their 'talent show' - we were really impressed by all the confidence and talents showcased by our year 6s. On Thursday, we had our 'Oscar awards' and buffet. It was really lovely seeing the children all dressed up and excited about what they/each other had achieved. On Friday, the children had the opportunity to sign each other's year books and then go around the school and have their t-shirts signed by other students and teachers. What an exciting week! The staff in year 6 would like to say a huge well done and good luck to our students this year. The children

will all be missed, but we know they are going to have a fantastic time in high school and achieve great things in the future. Also, we would like to say a big thank you to parents for their continued support this year. We hope you all have a lovely Summer holidays.
