

As readers we will be developing our reading skills by reading words containing speed sounds, reading red words, story and speedy green words.. We will develop fluency through partner reading during our phonics.

As geographers we will be using world maps, atlases and globes to identify the UK and its countries. We will be locating Withernsea using google maps, then using aerial photographs to identify local

As mathematicians, we will be developing our knowledge of place value within 10, addition and subtraction within 10 and shape.

As writers we will be reading the story 'Handa's Surprise' and looking into a range of exotic fruits. We will be describing the fruits and comparing them. We will also be making our own fruit salads after creating step by step instructions.

In PSHE we will be looking at 'Being me in my world' and 'Celebrating difference'. During these topics we will learn how to feel special and safe, that there are similarities and differences between people in the class, how to make new friends and bullying.

As musicians we will study Hip hop and Reggae. We will learn about pulse, to play an instrument in time to music, improvise using our voices and instruments, to compose and perform music.

In RE we will learn all about Belonging. We will discuss belonging and what this means. We will compare the similarities and differences between the Christian and Muslim faiths. We will look into Christmas.

As scientists we will be exploring everyday materials. We will be naming materials and their properties.

We will also look at seasonal change.

As historians we will be looking at the Victorians. We will compare toys from the past to today, what life was like for Victorian children, schooling, homes and transport.

As design technologists, we will be designing, making and evaluating a wheeled toy for a purpose. We will learn to use tools and material safely.

As athletes we will explore movement and balance. We will learn stationary balances, balances whilst moving and balancing on different body parts. We will also perform short dance sequences to music. We will travel, turn, jump along with using different levels and speeds.

As digital creators we will find out about how to keep healthy when using technology. We will use the book creator app to create a simple digital book. Using the sketch nation app we will design a game for others to play. We will use ipads to develop word processing and typing skills.

As artists we will learn about still life. Looking at the artist Paul Cezanne will help us to understand this. We will work on sketching and painting skills and create a piece of art using our knowledge of this topic.
